2024 VFL PLAYER SPONSOR PACKAGES

Why Sponsor a Player?

The Coburg Football Club are seeking support for its Men's program as it enters into the 2024 VFL season - and player sponsorship is an ideal way for you to help out.

It's no easy task for a Stand Alone Club to compete against AFL Clubs with their overwhelming array of support staff. Your sponsorship all goes towards supporting our team out on the ground each and every week by providing them the best quality support we can to help these young men reach their footy goals.

Your support will go a long way in helping the Coburg Men's program reach even further heights in 2024!
