# SEA SHEPHERD

---

Sea Shepherd Australia is an ocean conservation organisation that fights to stop the illegal exploitation and environmental destruction of our oceans.

Our mission is to end illegal fishing, save threatened species and protect essential marine habitats.

# COBURG - WILLIAMSTOWN

---

In honour of Sea Shepherd's wonderful work protecting the world's oceans, traditional rivals, Coburg Lions and Williamstown Seagulls, will fight for the Sea Shepherd Shield each time they play each other, whether home or away.
